PERSONALIZATION & PRESENTATION

Your design may incorporate a parish or event logo, church name, patron saint, anniversary or event date, prayer, Bible verse, or other suitable text. Bethlehem Crafts will provide a design proof for approval before production.

The customized authenticity card can coordinate with your parish or event on the front, while the reverse explains the origin and significance of Bethlehem olive wood.

PLANNING A FUNDRAISER? WE'LL PROVIDE PROFESSIONAL PHOTOS AND PROMOTIONAL COPY FEATURING YOUR CUSTOMIZED PRODUCT SO YOUR PARISH CAN BEGIN PRESALES WHILE PRODUCTION CONTINUES.

For orders of 100 items or more, please complete the **Custom Church Project Inquiry Form** (attached or online)

Smaller customization orders can be placed directly on our website through our **Custom Church Collection** shop.

HOW THE PROGRAM WORKS

From first idea to finished delivery, we guide your parish through every step.

1. **Explore:** Browse eligible products, personalization options, quantities, and starting prices.
2. **Connect:** Submit a Church Project Inquiry online or using the attached form. There is no commitment to purchase, and we'll respond within 1–2 business days.
3. **Create:** We work with you to finalize your design, quantity, and pricing and provide a design proof for approval.
4. **Begin Your Order:**
   10–90 pieces: Order directly through our website. Your order is personalized in Indiana with an estimated 2–4 week turnaround.
   100+ pieces: A 50% deposit begins production and personalization in Bethlehem with an estimated 6–12 week turnaround.*
5. **Receive Your Order:**
   10–90 pieces: Your completed order is shipped directly to your parish.
   100+ pieces: The remaining balance is due when your order ships from the Holy Land. We inspect and prepare your completed project before final delivery.
